

## Live Search by Windows Mobile

### About Live Search

Live Search is a comprehensive search application that is free and really cool. You can type search requests or just speak your request! There are quick links that help you perform quick searches nearby for things like:

- Movies
- Cheapest Gas
- Business Listings (think Pizza, restaurants, etc.)
- Weather
- Directions & Traffic conditions
- Homes that are for Sale nearby or see how much nearby homes sold for

### How Does it Work?

- Speak or type the name of the city you want to search
- Speak or type the name of the business you are looking for or,
- Select from a list of categories such as traffic, movies, gas prices, weather...etc. from either the location you designate or from your actual location

---

### What does it cost?

Free  
(Media Bundle Package recommended)

#### Lifestyle:

- ▶ Work      ▶ Play      ▶ Family

### Operating System Requirements:

- ▶ Windows   ▶ Blackberry   Symbian

### How do I get it on my phone?

- Access <http://wls.live.com> from the web or your phone.
- Enter your phone number. You will receive a text message shortly to complete the download.
- Click the link in the message to download.

---
