

Qik: Live Video Streaming

Mobile Live Video Sharing for Everyone, Everywhere!

With Qik, you can share with anyone and everyone what's going on anywhere and everywhere you go:

Stay better connected to family and friends.

Share your travels live with friends back home. Show your baby's first steps as they happen. Have Grandma "attend" the birthday party, even though she's on the other side of the planet. Qik also works with MySpace,

Broadcast events and news spontaneously.

Add a new dimension to your online presence with streaming video. Become a reporter—get the scoop with backstage interviews with celebrities and experts. Even better, Qik lets you share the results live on any website.

Enhance your business.

Add to your news/media business with high impact, low resource live breaking news. Give medical consultations anytime, anywhere. Record incidents for legal and insurance purposes. Provide live customer support that's the next best thing to being there.

How Does it Work?

- Record or stream video from your phone to the Qik web site.
- Invite others to watch your recorded video by sending them an invite to their email or
- Invite others watch your streaming video by sending them an invite to their email (viewers may also chat live from the website directly to your phone).

What does it cost?

Free
(Media Bundle Package recommended)

Lifestyle:

Work ▶ Play ▶ Family
