About ShoZu

Do you love taking pictures with your phone but hate not being able to really share those pictures with others? ShoZu is your answer.

Stay Connected

ShoZu is the coolest way to turn your phone into a social networking machine and stay connected with your favorite sites like, Flickr, Facebook, Blogger, Twitter, Photobucket, Typepad... and the list goes on.

Share

With ShoZu you can upload photos and videos, download friends' photos and updates, read and reply to comments, update your profile status, and much more!

How Does it Work?

- Take pictures and videos on your phone and post them to your favorite sites. Get automatic uploads to you favorite site, or select and paste to multiple sites right from your phone.
- Your mobile phone now can act as you personal PC to keep you connected to your favorite sites anywhere you go.

What does it cost?

Free

(Media Bundle Package recommended)

Lifestyle:

Work ▶ Play ▶ Family

Operating System Requirements:

Windows Blackberry Symbian

How do I get it on my phone?

- This is a free application from Shozu.com or you can go to m.shozu.com and download the app straight to your phone.
- Once it's activated on your phone, you can Add Sites, Email Addresses and subscribe to Podcasts!
